

Parent sports survey- feedback

Last month, parents were asked to provide feedback about sport at Burford Primary School. This document notes our responses to this feedback.

you said	Our response
More opportunities to participate on a regular basis in competitive sports.	We have planned in regular intra school competitions throughout the year, linked to one of the sports they have been taught that term. The sports calendar is now available to view on the school website https://burford-pri.oxon.sch.uk/curriculum/progressionDownloads/pe/PE%20calendar%202023-24.pdf
Make sure inter school matches happen as children really seem to enjoy these.	Children from Y2-Y6 are given the opportunity to represent our school in a range of sporting events put together by the Burford Partnership. The calendar is available on our website. https://burford-pri.oxon.sch.uk/curriculum/progressionDownloads/pe/PE%20calendar%202023-24.pdf
Allow the children to experience loads of different things, so they can find out what they like.	<p>Each child will be taught at least 12 different sports a year. In a term pupils will be taught 2 PE lessons a week. One by our sports coach and one by their teacher (or swimming coach). https://burford-pri.oxon.sch.uk/curriculum/progressionDownloads/pe/PE%20yearly%20overview.pdf</p> <p>We also plan in sporting experiences throughout the year. In the past this has included quidditch, rock climbing, cricket, dance and football.</p> <p>we are currently in contact with a few local sports providers and are hoping to do a gymnastics trip, girls football taster session and a football club run by Burford Secondary school sixth formers.</p>
I would like to know that they do 30 mins of physical exercise a day. I think the children would benefit from more structured sport during breaktimes.	<p>At Burford we value the importance of daily physical activity. To meet the recommendations of the Chief Medical Officer (CMO), to have at least 60 minutes of daily physical activity, we enlist the help of our Year 6 sports leaders. They run activities during break time for lower school (Y1-3) and lunch time for upper school (Y4-6), which encourage pupils to participate in a range of games and sporting opportunities.</p> <p>Images are available to view on our website https://burford-pri.oxon.sch.uk/galleries/2023_2024/specialEvents/16/index.php</p>
Any opportunities for the less sporty children to participate and boost confidence would be great.	<p>Next term we will be trialling the shooting stars lunch time club for EYFS-Y3. This aims to encourage those who may be more reluctant to do sport or girls who want to get into football. It helps develop their physical, social and emotional skills through exploring sport through Disney films.</p> <p>If this is successful, we will run the session for children in years 4-6.</p> <p>Find out more here: https://www.EnglandFootball.com/play/youth-football/in-education/disney-inspired-shooting-stars</p>

Parent sports survey- feedback

The majority of you wanted find out about sport through our newsletters. If there are any competitions or events, we will share these via our newsletters. For Warwick and Windrush children, we will use class dojo to share what we have been doing in PE.
