Dear Parents/Carers

### **Toys from home**

More and more children are starting to bring toys from home into school which is causing a few issues amongst children. Please ensure that your child knows this should not be happening. # Burford Best

In History, **Tolsey Class** have been learning about the Anglo-Saxons and how they lived. They learnt about what their houses were like and then made models of them, using similar materials to the Anglo-saxons (wood and straw).

**Warwick Class** children (& adults) all had such a fabulous day at 'All Things Wild' last week– the children were absolutely amazing – we were all so proud of how well they engaged and their behavior was brilliant.

## Priory Class

This week in history, we have been examining views of criminals in the past, focusing on highwaymen. After reading about the exploits of Claude Duval and Richard Turpin, we made model highwaymen to show their glamorous celebrity appeal! We then linked this into our reading of the poem 'The highwayman', using the figures and the poem to inspire our writing. This led to some fantastic descriptions:

"I rode upon the weed-cracked cobble; the night was cold and bare. I clasped my hat in the darkness; it was almost blown off my head. My stallion's mane flew backwards, muddling my blurry sight."

"I look so good when I'm just casually riding my horse in the moonlight: Bess will be so proud of me. Arriving at the inn, I slick my hair back, ready to see her silhouette perching at the window. I say to her proudly, "Tonight I will rob the coach passing by and give you all of the goods."
