

Homework in Tolley Class

Dear Parents/Carers

Each week your child will be given homework; this may be a mixture of literacy, maths and topic work. The children will be set homework on a Friday and this needs to be brought back in on a Wednesday. The children may then take their spelling booklets back home with the on Wednesday to practise their spellings ready for a test on Friday.

Spellings

The children will be given either a spelling booklet where they practise all the spellings for the week or a list of 6 spellings. If they are given the spelling booklet they practise all the spellings for the week and then write 6 sentences with a mixture of the spelling words in them. These should be written in their homework book. If they have the six spellings they should practise them and then write 6 sentences with each spelling in each sentence in their homework book.

Times tables

Please practise times tables every day. There are lots of good ICT sites which the children can use and I will also send home sheets for them to practise on.

Reading

It is important that your child reads daily; they have a reading record which can be used when you read with your child. Some of the older children may want to record themselves when they read on their own.

Whole School Homework

Once a term there may be whole school homework sent home, which is often linked to the topic. The timescale for this is often longer and will be given on the sheet.

If you have any worries or concerns over your child's homework please pop in and have a chat.

Best wishes

Nikki Latton
