Priory Class Spring Term Letter 2017

Dear Parents,

Mrs. Rigby and I would like to say a big thank you for all the wonderful gifts and cards we received. They are very much appreciated. We hope you have had an enjoyable and relaxing Christmas and New Year, spending lots of time with friends and family. There are lots of exciting, and interesting, things planned this term and we cannot wait to get started!

Priory Handbook

Please re-read through the Priory Class Handbook as this contains information on behaviour expectations, homework, messages and communications, assessment and clothing. A copy was given to all children at the beginning of the Autumn term and can also be found on the website.

Timetable

A copy of the time table for Term 3 has been attached.

Book Worms

Our topic this term and next is 'Book Worms'. During Term 3, the topic will focus on the book 'Good Night Mister Tom' and, alongside, the children will learn key facts and information about World War II. If you know of anyone who has experience in this area, who would like to discuss and share their knowledge with the children, please do get in touch.

As part of this topic, the children will be designing, creating and writing their own pop-up story book. We would therefore appreciate it, if they could bring in any interactive books from home. The children will study how these are made and use them as inspiration for their own books.

I have attached a curriculum overview to give you a more in-depth guide to the areas we will be covering.

SATS Meeting

On Monday, 16 January, at 3.30pm Mrs Dyer and I will be holding a SATs' meeting for parents. Although all parents from Priory are welcome, it is particularly important for those with children in Year 6 to attend. We will focus on the significant changes to the Key Stage 2 statutory assessments, with their increased demand, and discuss how we are supporting your child in school and how you can best help at home.

I am sure we will have a super term full of fun and adventure as always. Thank you so much for the support you give the staff and children, it is greatly appreciated and vital to the smooth running of our class.

Best wishes,

Mrs. Beaney (Class Teacher) & Mrs. Rigby (Teaching Assistant)
