## Priory Class Homework – Year 5 & 6

At Burford Primary School, we believe that homework supports, extends and enriches the teaching and learning taking place in school, providing all pupils, including those who are disadvantaged and/or with special educational needs, with opportunity to reinforce understanding and knowledge and develop skills independently in their own time, supported by parents, thus working in partnership with school and home; this is further reinforced in the school's 'Charter for learning and working together' and used to help pupils to make progress and raise standards of attainment.

The children in Priory Class, in line with the school's Homework Policy, will be set homework in English and Mathematics each week, which may link to other curriculum subjects and the expectation is for this to be completed and returned the following Wednesday.

On a termly basis, there will be a whole school topic homework for which a separate letter is issued.
