October 2017 Parent and Carer Survey – Summary of Responses

We were delighted to see so many parents at the recent Parent Consultation Meetings and would like to thank you for completing the Parent and Carer Survey. We value all of the responses received which provide a very clear indication that an overwhelming majority of our parents are very pleased with the provision at Burford Primary. We received some extremely positive comments and have shared these with staff and governors. A very small minority of responses require our attention and we will be addressing these in the coming weeks.
