

140TH BIRTHDAY CELEBRATION

VICTORIAN DAY MONDAY 13TH NOVEMBER 2017

Dear Parents,

To celebrate our school's 140th birthday we have decided to have a trip back into the past! Please send your child to school on Monday 13th November dressed as a Victorian child. The staff will also be dressed up and fully in character!

We will be having a Victorian themed lunch on this day and would encourage all to take part at a cost of £2.20; Mrs Ralphs will soon be publishing the menu.

We wanted to give you prior warning ahead of half-term so you are able to organise costumes. Please ask your class teacher if you are in need of ideas...think Oliver!

The whole day will be planned in order to give the children a taste of times gone by which we will be linking into our History teaching across the term.

We are all very much looking forward to the day and seeing everyone enter into the spirit while we celebrate 140 years of BPS!

Best wishes,

Mrs Duff – Senior Teacher
