'Respect, Aspire, Achieve'

27th January 2020

Dear Parents & Carers,

We are excited to announce that the Life Education Bus is coming into school on Thursday 30th January 2020. The Life Education Bus is a mobile classroom that delivers high-quality, enrichment experiences which help develop essential life skills surrounding children's physical and mental health and wellbeing. Each session is appropriately tailored to the age of your child and will support work carried out in class.

If you would like to find out a little more about the Life Education Bus, please feel free to browse their website www.lifeeducationwessex.org.uk/

The classes will be attending the following sessions:

Nursery & Reception - 'All About Me'
Years 1 & 2 - 'My Wonderful Body'
Years 3 & 4 - 'Meet the Brain'
Years 5 & 6 - 'Friends'

If you would like to find out more about what the children will be experiencing a Parent/Carer session will be held at 8.40am for around 15 minutes, after you have dropped your child into class. Please feel free to drop in, the bus will be situated on the playground. We ask that parents leave the school site by 9am in order for our first session to begin at 9.05am and for us to ensure our children are safe.

In order to run this event for our children we are asking for a voluntary contribution of £2 per child, which can be made payable via Parent Pay. We would like to thank FoBPS for kindly subsidising this event and reducing the cost for parents and carers.

Thank you for your continued support

Holly Docherty
EYFS Lead
