26th March 2020

Dear parents and carers

Coronavirus update

We would like to start by thanking you for your positive response to this ever changing, challenging situation. This week has been very different for us all, but we hope that you have found the information from your child's teacher helpful, and equally that you have found some time to enjoy the sunshine.

As a school we are committed to ensuring we are aligned with the Government's response to the Covid-19 crisis. We will open for children who are deemed vulnerable, including children with an assigned social worker and those with an EHCP. We will also open for the children of parents who have confirmed that they are on the government's key worker list, with their work being critical to the COVID-19 response.

This week, school was closed for three days as all parents were able to safely keep their child/ren at home, in line with the Government's key message of **stay at home to reduce the spread** of this virus. We are extremely grateful for the flexibility and support of our families. As outlined above, we will open for families that need us, but we urge parents to **keep their children safely at home wherever possible. This is to limit the number and frequency of social interactions with others outside of your household, and therefore limit the spread of the virus. We all have a key part to play in this national effort.**

Please inform us by emailing the school office by 10am tomorrow (Friday 27th March) if you need a place for your child next week. Booking form attached. Please note, as the safety of all our pupils and staff remains paramount, we may need to verify with some employers that your role is classed as critical at this time.

Further Coronavirus information

For further information on coronavirus symptoms, how to prevent the spread and what to do if you suspect you or a family member may have the virus, please follow advice at www.gov.uk/coronavirus.

We will continue to keep you updated via parent mail and email over the coming week, so do keep a look out for school communication.

Keep safe,

Miss Lisa Austin and Mrs Clare Silvester
