

Tolsey Class

Curriculum Map

Term 1 2021

English

As readers and authors we will focus on the text *The Secret Sky Garden* by Linda Sarah and Fiona

We will:

- *share responses to these books, using prediction, asking questions and making connections with our own experiences

- *Explore narrative setting, plot and characters

- *sequence events to write a short narrative based on a known story

- * To broaden understanding of vocabulary

- * Engage in oral story telling

In addition, we will also work on letter formation, using spaces between words and using known sounds. Whilst also focusing on sentence construction. The Y3s will be working on using conjunctions and prepositions to express time and place in their writing.

Phonics

These lessons will follow the Read, Write, Inc approach.

Maths

As Mathematicians, we will develop our place value knowledge by focusing on:

- *The composition of numbers 1-10 and multiples of ten

- *Comparing measures and quantities using greater than, less than and equal to and relating this to number

- *The whole of a number and how this number can be broken down into different parts and use this to solve equations.

Science

As Scientists, we will identify:

- *Common garden and wild plants

- *Deciduous and evergreen trees and what makes them so

- *The structure of a flowering plant and a tree

- *What a plant needs to grow strong and healthy

We will also learn about the lifecycle of a flowering plant.

Geography

As Geographers, we will learn about:

- *Maps and their purpose, creating a map of our school

- *The United Kingdom including its four regions, their capital cities and their cultures

- *The continents and oceans of the world

Art

As Artists, we will create self portraits using a variety of different techniques and styles including:

- *pencil drawings (our whole face and half)

- * Pencil drawing of objects including shading to make it 3D

- *Clay sculptures of the whole face

- * Paint using realistic colours mixed from primary colours

ICT

As Programmers, we will learn how to use a range of techniques using Imotion to create a simple stop frame animation.

Music

As Musicians, we will learn songs based on the story Jack and the Bean Stalk. We will also listen to a wide range of music and identify the mood it creates and the types of instruments playing.

PE

As athletes, we will develop our skills of catching, throwing and kicking. We will apply these skills to simple team games.
