

Tolsey Class
Curriculum Map
Term 5 2022

English

As readers and authors we will focus on the text *The Bee who Spoke*

As readers, we will focus on:

- * explaining our understanding of what we have read
- * drawing inferences on the basis of what is being said and done

*Using inference related to the images and the text.

As writers, we will:

- *Continue to work on letter formation and sentence construction
- *Continue to work on developing our stamina for writing by taking part in weekly 'big' writes
- *Learn about the structure of a journey narrative.
- *Use different methods to plan our writing
- * Using similes to add description to work.

Phonics

These lessons will follow the Read, Write, Inc approach.

In comprehension we are reading 'The sheep-pig' and answering different types of questions about the text.

Science

As scientists, we will:

Y2

- *explain that most living things live in habitats which suit them and depend on each other
- *name some plants and animals in their habitats including micro-habitats
- *explain that animals get their food from plants and other animals using simple food chains

Y3

- *Identify different light sources and their purposes.
- *Understand how shadows are formed and which type of object makes the best shadow.
- *Identify reflective objects and explain how light reflects from them.

Art

As Artists we will learn about the work of Matisse. We will learn collaging techniques and create art work inspired by him.

ICT

As programmers, we will focus on:

- * **Y2:** digital writing— children will familiarise themselves with typing on a keyboard and begin using tools to change the look of their writing, and then consider the differences between using a computer and writing on paper to create text.
- ***Y3:** Animation— Children will learn to move and control an animation.

Geography

As Geographers, we will consider the similarities and differences between a habitat in the UK and Australia. We will focus on physical features, such as river, mountain, hill and valley.

Design and Technology

We will build bee hotels, focusing on:

- * using tools safely
- * measuring accurately

Maths

As mathematicians, we will focus on:

Y2

*Fractions of amounts and numbers—with a focus on $\frac{1}{2}$ and $\frac{1}{4}$

Y3

*Fractions of amounts and numbers— Focusing on understanding the structures of fractions and the vocabulary involved in fractions.

PE

As athletes, we focus on fitness and develop our skills with speed, agility, balance and coordination. We will apply these skills to netball and basketball. Each Wednesday, we will also take part in Forest School.
