Dear Parents/Carers

Lower School is busy behind the scene redesigning the classroom and provision our children have access to. One area we would like to develop is loose parts—these are materials the children can adapt, move, design and transform in many different ways. If you have any of the following objects looking for a new home, we will gratefully rehome them.

- ◇ Buttons
- ◇ Glass beads/ nuggets
- ◇ Ribbon/ string/ wool
- ◇ Keys
- ◇ Shells
- ◇ Small rocks and stones
- ◇ Pinecones
- ◇ Corks
- ◇ Log slices small and large
- ◇ Wooden curtain rings / napkin rings
- ◇ Any other objects that you feel would work well
- ◇ Scrabble tiles
- ◇ Cotton reels
- ◇ CDs
- ◇ A4 and A5 picture frames
- ◇ Wicker baskets
- ◇ Plain placemats
- ◇ Embroidery hoops
- ◇ Plastic bottle tops
